

The sketch shows a rectangular frame representing a web page. On the left side, there is a square placeholder for a profile picture containing a simple stick figure. Below it is a rectangular button labeled 'LOGOUT'. An arrow points from this button to the text 'PULSANTE PER IL LOGOUT' located outside the frame. On the right side of the frame, there are five horizontal input fields, each with a label above it: 'E-mail', 'NICKNAME', 'PASSWORD', 'RIPETI PASSWORD', and 'DATA DI COMPLEANNO'. Each input field contains a wavy line representing text. At the bottom left of the frame is a button labeled 'MODIFICA' with a pencil icon to its left. An arrow points from this button to the text 'PULSANTE PER MODIFICARE I DATI DELLO STUDENTE' located outside the frame. To the right of the frame, the text 'INFORMAZIONI PERSONALI STUDENTE' is written, with an arrow pointing from it to the 'NICKNAME' input field.
